

ENVISIONING OUR LEGACY

Thursday, June 19th at 7:00pm
Horton Community Hall

You are invited to attend a community visioning workshop.

This community has a rich heritage and for this reason, part of it may be nominated for inscription as a UNESCO World Heritage Site. This is your chance to come out and discuss the future of your community.

“What would you like to pass on to future generations in this community?”

This meeting will kick off a visioning exercise that will lead to the development of a community plan.

We will provide snacks, a UNESCO project update and details on the community celebration on June 22nd.
