

Grand Pré and Area may soon be recognized world wide as a UNESCO World Heritage Site. The submission target date is February 2010.

Please join us as we celebrate the special communities of Grand Pré and Area and the work we are doing together to protect, present, and cherish our shared legacy for future generations. Together, in the next months, we will be working to define a vision for the future of our communities, a vision that may lead us to a UNESCO World Heritage designation. This would bring to the world's attention this special place that has been cared for over hundreds of years by generations of people.

It's worth celebrating!

Sunday June 22
12-4pm
at the Grand-Pré
National Historic Site
Visitor's Centre.

We're looking
forward to seeing you
there!
